

Brother Pledger

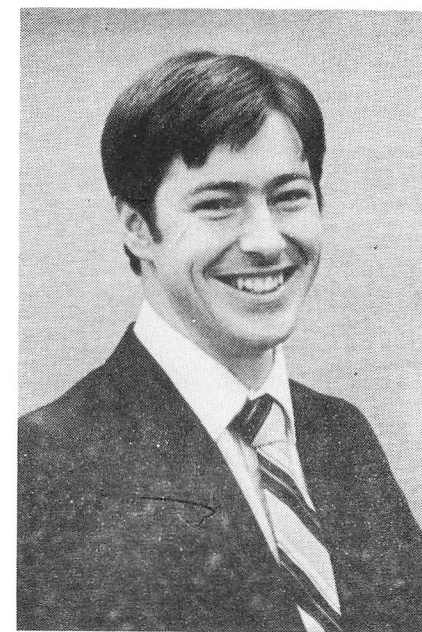

Dear Students,

Out of all of the Seminaries I've had the opportunity of teaching full time at Heber is definitely the finest. We have our challenges here in our beautiful valley yet I am confident that during the next few years our priesthood leaders will guide us through these challenging times.

I also feel confident that the great youth of this valley will rise to meet with their devine destiny.

Sincerely,

Joe Pledger

Brother Joseph Pledger

Students in the "Living Room" during the "Living Room" project. Clockwise from top: John, Mary, David, and Susan.
